TO DIRECTOR OF ART GALLERIES

I have the great pleasure of introducing the bearer of this letter Mr. Carlos Silva a young painter awarded the National Di Tella Prize for 1965.

This prize is the most important in Argentina in the contemporary field and Mr. Carlos Silva is travelling to Europe and U.S.A. He is a person in whom we have the greatest confidence and we would be extremely grateful if you would give any assistance which he may require.

I am yours sincerely
